### Greening the Urban Parkway (or Tree Lawn)

By Pat Terry

In Akron, Ohio, it's called the "devil's strip," in Cleveland it's a tree lawn. In other cities, it's a tree bank, planting strip, dog walking lawn or easement strip. Whatever you call that small piece of earth between sidewalk and street, city dwellers in Chicago, Denver, Seattle and other urban oases are filling it with greenery. Countering the concrete and...

### Cool Schools

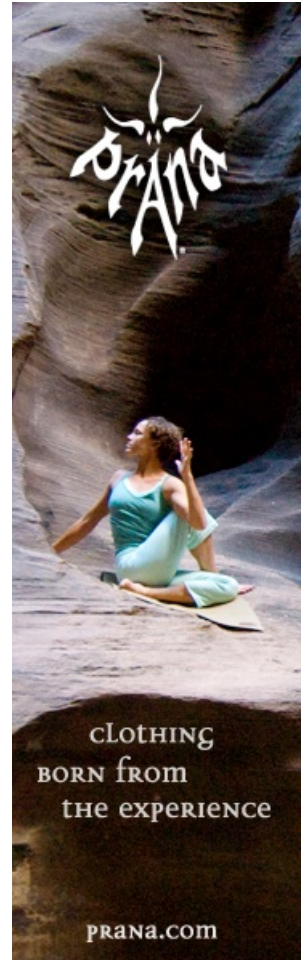

By Jenny Jedeikin

What can kids do to reduce global warming? "Plenty," says mother Carleen Cullen. "They can influence their parents to become more green." Cullen is founder of Cool the Earth, a new grassroots enrichment non-profit program geared to inspire kids and their families to make...

### Green Apartments in New York

Looking for green digs in the city? You're in luck. From the Solaire, Tribeca Green, and Verdesian in Battery Park City, to the Helena in Midtown, and the Lucida and Brompton on the Upper East...
